PROFILE INFO

Enthusiastic bachelor student in Computer Science seeking an internship or entry-level opportunity where I can apply my foundational knowledge in software development and gain practical experience in the IT field. Eager to learn and contribute to a dynamic team.

PROJECTS

PORTFOLIO WEBSITE

- Developed a personal portfolio website using HTML, CSS, and JavaScript.
- Implemented responsive design principles for better user experience across devices.

STUDENT MANAGEMENT SYSTEM (MINI PROJECT)

- Built a basic student management system in Python that stores and manages student records.
- Used OOP principles and file handling techniques for data storage.

WEATHER APP

- Developed a weather application using HTML, CSS, and JavaScript.
- Implemented responsive design for desktop devices.
